

Ohio Administrative Code Rule 3775-19-01 Type C proprietor duties.

Effective: September 17, 2022

(A) Type C sports gaming proprietors must only comply with this rule, Chapter 3775-1, and rules 3775-4-04 and 3775-4-99 of the Administrative Code.

(B) A type C sports gaming proprietor who wishes to install more than two terminals in any type C gaming host facility must submit a request to the commission, in a manner prescribed by the executive director, no later than seven days before the planned installation. The executive director may disallow the installment if it would undermine the integrity of sports gaming in this state.

(C) A type C sports gaming proprietor must notify the commission, in a manner prescribed by the executive director, of any changes in which type C gaming host facilities it intends to conduct sports gaming.

(D) Type C sports gaming proprietors must comply with any sports gaming rules adopted by the state lottery commission under Chapters 3770. and 3775. of the Revised Code.

(E) In addition to any contractual remedies the state lottery commission may pursue, failure of a type C sports gaming proprietor to adhere to Chapter 3770. or 3775. of the Revised Code or any applicable rules adopted thereunder may subject the type C proprietor to sanctions under section 3772.04 of the Revised Code and rule 3775-1-08 of the Administrative Code.
