

## Ohio Administrative Code

### Rule 3796:8-2-04 Quantity of medical marijuana that may be purchased by a patient or caregiver.

Effective: February 14, 2022

(A) A patient and a patient's caregiver(s) may collectively purchase no less than a whole day unit at a single time. A whole day unit shall equal the amounts for each authorized form of medical marijuana as listed in the following table:

Authorized Form of Medical Marijuana	Whole Day Unit
Plant material	2.83 grams
Patch for transdermal administration, lotion, cream, or ointment	Up to 295 milligrams of THC
Oil, tincture, capsule, or edible for oral administration	Up to 110 milligrams of THC
Oil for vaporization	Up to 590 milligrams of THC

(B) A patient and the patient's caregiver(s) may collectively purchase no more than a ninety-day supply in accordance with the two forty-five-day fill period process established in rule 3796:7-2-04 of the Administrative Code. Ninety whole day units, aggregated across forms purchased, shall constitute a ninety-day supply of medical marijuana. A patient or caregiver may not purchase more whole day units of medical marijuana than days remaining in their fill periods as set forth in rule 3796:7-2-04 of the Administrative Code. A ninety-day supply is defined by form as follows:

Authorized Form of Medical Marijuana	90-Day Supply
Plant material	9 oz or 254.7 grams
Patch for transdermal administration, lotion, cream, or ointment	26.55 grams of THC
Oil, tincture, capsule, or edible for oral administration	9.9 grams of THC
Oil for vaporization	53.1 grams of THC

(C) Notwithstanding paragraph (B) of this rule, a patient who is diagnosed with a terminal illness and the patient's caregiver(s) may collectively purchase no more than a ninety-day supply in accordance with the two forty-five-day fill period process established in rule 3796:7-2-04 of the Administrative

Code. Ninety whole day units, aggregated across forms purchased, shall constitute a ninety-day supply of medical marijuana. A patient or caregiver may not purchase more whole day units of medical marijuana than days remaining in their fill periods as set forth in rule 3796:7-2-04 of the Administrative Code. A ninety-day supply for patients diagnosed with a terminal illness is defined by form as follows:

Authorized Form of Medical Marijuana	90-Day Supply (Terminal Illness)
Plant material	10 oz or 283.5 grams
Patch for transdermal administration, lotion, cream, or ointment	29.5 grams of THC
Oil, tincture, capsule, or edible for oral administration	11 grams of THC
Oil for vaporization	59 grams of THC
