

## Ohio Administrative Code

### Rule 4101:7-6-01 Criteria for board recognition of accreditation bodies, conformity assessment bodies, and industry trade association certification programs.

Effective: January 1, 2018

---

As authorized by division (C) of section 3781.10 of the Revised Code and as prescribed in section 114 of rules 4101:1-1-01 and 4101:8-1-01 of the Administrative Code, the board of building standards has adopted rules for the recognition of accreditation bodies, conformity assessment bodies, and industry trade association certification programs as specified in paragraphs (A) to (C) of this rule.

(A) General. Each specific board-recognized body shall comply with the following:

(1) Initial application for recognition. Any accreditation body, conformity assessment body, or industry trade association certification program shall apply to the board, on board prescribed forms, to become recognized.

(2) Maintaining recognition. Each recognized accreditation body, conformity assessment body, and industry trade association certification program shall renew with the board every three years to verify and ensure that their contact information, accreditation status, and scope of services are current and published on their website.

(3) Fee. A fee is not required to make initial application or maintain recognition by the board.

(B) Board to maintain list of recognized bodies. A list of board recognized accreditation bodies, conformity assessment bodies, and industry trade association certification programs are located on the board's website at <http://www.com.ohio.gov/dico/bbs/> and labeled as "Recognized Accreditation Bodies," "Recognized Conformity Assessment Bodies," and "Recognized Industry Trade Association Certification Programs."

(C) Criteria for recognition. Each specific board-recognized body shall be categorized by type as defined in section 114 of rules 4101:1-1-01 and 4101:8-1-01 of the Administrative Code and shall meet the prescribed requirements for recognition in accordance with paragraphs (C)(1) to (C)(3) of

this rule.

Board-recognition of accreditation bodies, conformity assessment bodies, and industry trade association certification programs that test, evaluate, inspect, or certify products shall be limited to those products within the scope of the Ohio building codes.

(1) Accreditation body. Recognition shall be based upon the following requirements:

(a) Recognized accreditation bodies shall be independent and their personnel shall be free from all conflicts of interest relative to the bodies being evaluated and accredited.

(b) Recognized accreditation bodies shall be a signatory to an international cooperation or an international mutual recognition arrangement of accreditation bodies that perform peer reviews to ensure the competence of the accreditation bodies.

(c) Recognized accreditation bodies cannot self-certify.

(d) Recognized accreditation bodies shall maintain conformity with "ISO/IEC 17011 Conformity Assessment - General Requirements for Bodies Providing Assessment and Accreditation of Conformity Assessment Bodies and Supplementary Documents."

(e) Changes to accreditation bodies' standing shall be reported to the board and also noted on each renewal application. Forms shall be accessed through the board's website.

(2) Conformity assessment body. All recognized conformity assessment bodies shall comply with the following general and specific requirements:

(a) General requirements.

(i) Recognized conformity assessment bodies shall be accredited and shall maintain their accreditations from a board recognized accreditation body.

(ii) Recognized conformity assessment bodies shall be independent and their personnel shall be free

from all conflicts of interest relative to the materials, assemblies, or products being tested, inspected, or evaluated.

(iii) Board recognition shall be limited to those services within the current scope of a conformity assessment body's accreditation.

(iv) Changes to the accreditation certificate issued by a recognized national accreditation body shall be reported to the board and also shall be noted on each renewal application. Forms shall be accessed through the board's website.

(b) Specific requirements.

(i) Testing laboratory. Recognition shall be based upon the following requirements:

(a) Accreditation shall be based upon compliance with "ISO/IEC Guide 17025 General Requirements for the Competence of Testing and Calibration Laboratories" or "IAS-AC89 Accreditation Criteria for Testing Laboratories."
