

Ohio Administrative Code

Rule 4101:9-4-18 Construction by public authority with its own employees.

Effective: June 3, 2004

A public authority that constructs a public improvement project with its own employees shall pay not less than the prevailing rate of wages unless:

(A) An employee is a full-time employee who has completed his probationary period in the classified service of the public authority and is performing work consistent with the classified nature of his employment.
