

Ohio Administrative Code Rule 4112-3-02 Fact finding conferences.

Effective: September 14, 2023

A commission staff member may be assigned to initiate contact with the complainant and respondent, and conduct a fact-finding conference between the complainant and respondent or their representatives to examine the factual basis behind the charge.

Any party who participates in a fact-finding conference may be accompanied by legal counsel, whose role shall be limited to advising his/her client, unless agreed to by all parties present, including the commission staff member conducting the conference.
