

## Ohio Administrative Code Rule 4117-7-07 Petitions for injunctive relief.

Effective: [May 18, 1987](#)

---

Contingent upon a finding of probable cause, a charging party may file with the board a motion requesting that the board seek injunctive relief from the appropriate court pursuant to division (C) of section 4117.12 of the Revised Code. The motion should state the reasons why substantial and irreparable harm will result if temporary relief is not granted. The board, in its discretion, will determine whether to seek injunctive relief.
