

## Ohio Administrative Code Rule 4123-16-03 Privacy officer.

Effective: October 14, 2002

---

(A) The administrator shall appoint a privacy officer to be responsible for agency compliance with Chapter 1347. of the Revised Code and Chapter 4123-16 of the Administrative Code.

(B) The privacy officer, or the privacy officer's designee, shall oversee the staff instruction required by rule 4123-16-12 of the Administrative Code. The privacy officer shall also provide interpretation and guidance relative to specific compliance questions.

(C) The privacy officer shall be designated to receive all correspondence or inquiries relative to privacy matters unless otherwise indicated in Chapter 4123-16 of the Administrative Code.

(D) The privacy officer shall be responsible for monitoring policies and procedures established under Chapter 4123-16 of the Administrative Code and modifying such policies and procedures when appropriate.
