

Ohio Administrative Code

Rule 4141-15-04 Assignment of average contribution rate for employers engaged in the construction industry.

Effective: February 26, 2016

For the purpose of assigning an average contribution rate for employers engaged in the construction industry pursuant to division (A)(1) of section 4141.25 of the Revised Code, the director shall assign the average contribution rate attributable to the construction industry group as reflected in the most recent Ohio department of job and family services, labor market information report RS 203.2. The average contribution rate for employers in the construction industry shall be assigned based upon the RS 203.2 report that is issued most immediately prior to the contribution period throughout which such rates are to be effective and shall be rounded to the nearest tenth of one per cent.
