

Ohio Administrative Code

Rule 4141-25-09 Director's authority to request information regarding labor disputes.

Effective: April 1, 2020

Upon request, the employer shall furnish to the director the names, social security numbers, and other information determined by the director to be necessary to determine whether the reason for separation was due to a lockout or a labor dispute other than a lockout. The employer shall also furnish any information requested by the director with respect to the ending date of the dispute.
