

Ohio Administrative Code

Rule 4146-23-03 Notification of filing of appeal.

Effective: August 17, 2015

Written notification of the filing and receipt of the employer's appeal shall be given by the review commission to the interested parties. In the event the appeal is not filed within the thirty day period provided by statute, the review commission shall dismiss the appeal by written decision, with copies thereof sent by electronic means or mailed to appellant employer and delivered to the director.
