

Ohio Administrative Code Rule 4501-23-20 Procedure.

Effective: [May 4, 2002](#)

(A) An applicant for a motorized bicycle license shall apply, and be tested in accordance with this chapter.

(B) Upon successful completion of the required tests, the applicant shall take the form provided, indicating such successful completion, to any deputy registrar for the purpose of making application for a motorized bicycle license.

(C) The form provided shall not entitle the holder to any driving privileges, which shall accrue only upon issuance of the motorized bicycle license by the deputy registrar.
