

Ohio Administrative Code

Rule 4501:1-1-32 Evidence of a high school diploma or a general educational development certificate.

Effective: April 23, 2006

A person whose temporary instruction permit, driver's license, or privilege to apply for a temporary permit or driver's license has been suspended under the provisions of section 4510.32 of the Revised Code may provide evidence of receipt of a high school diploma or a general educational development certificate of high school equivalence to the registrar of motor vehicles by presenting any of the following: an original high school diploma or a certified copy thereof, an original general educational development certificate of high school equivalence or a certified copy thereof, a letter from the principal of the high school which granted the diploma or from the superintendent of the school district in which the diploma was granted, or any document the registrar may approve individually.
