

## Ohio Administrative Code

### Rule 4501:1-7-11 Special plates for national guard members.

Effective: August 1, 2022

---

[Comment: For dates and availability of material incorporated by reference in this rule, see paragraph (A) in rule 4501:1-7-15 of the Administrative Code.]

(A) Any person who is a member in good standing of the national guard of Ohio may apply to the registrar of motor vehicles for a specialty license plate. The application for national guard license plates shall be made on BMV form 4705 "Request for Specialty License Plates," and shall be accompanied by a written certification of the applicant's commanding officer that the applicant is a member in good standing of the national guard of Ohio at the time of making his first application. Subsequent verification shall be submitted as directed by the registrar.

(B) The registrar shall reject any application which fails to meet any requirement imposed by statute or prescribed by the registrar.

(C) The registrar shall prescribe the design of the license plate and any inscription on the plate.

(D) The registrar may cancel the registration and seize the national guard plates and sticker of any person who is discharged or retired from the national guard at the next succeeding registration period, or of any person whose license is suspended for violation of any law or rule which applies to any other operator of a motor vehicle.
