

Ohio Administrative Code Rule 4703-3-05 Interstate practice.

Effective: April 15, 2022

(A) A non-resident architect may practice in the state of Ohio when said architect holds a current and valid Ohio registration.

(B) A non-resident architect seeking an architectural commission in this state, who holds a current Certificate issued by the National Council of Architectural Registration Boards (NCARB) and is otherwise eligible for registration in the state of Ohio shall be permitted to offer to render architectural services and only that without having first been issued a certificate of qualification to practice architecture by this board, provided the non-resident architect discloses the registration status to the offeree.
