

Ohio Administrative Code

Rule 4713-11-13 Temporary special occasion work permit.

Effective: [March 21, 2022](#)

A temporary special occasion work permit allows persons licensed or registered in another state or country to practice or teach cosmetology or a branch of cosmetology that the person is licensed or registered in their state or country of origin in Ohio for a special occasion. A special occasion must be sponsored by a licensed salon or school. Persons intending to work beyond the scope of the occasion listed on the temporary special occasion permit application shall obtain a license from the board.

(A) Salons are eligible for one temporary special occasion work permit per individual licensee per year.

(B) To receive a permit, the salon shall provide the board documents credentialing the licensee. All documents shall be provided in English or with a certified English translation from a certified translation service located in the United States.

(C) Each salon that desires a temporary special occasion work permit shall provide the following:

(1) A fifty-dollar fee;

(2) A copy of the license from the licensee's state. If the individual for whom the salon is seeking a temporary special occasion work permit is from a foreign country that does not license the cosmetology field, the salon shall provide documentation of the individual's professional experience;

(3) The dates requested for the special occasion work permit not to exceed one month;

(4) The salon board identification number,.
