

Ohio Administrative Code Rule 4713-15-09 Use of powder.

Effective: February 12, 2024

All powder used in cosmetology, branches of cosmetology, and barbering must be properly used and maintained in accordance with the following:

(A) Talc powder or similar product shall be dispensed from a shaker or similar container and shall be applied with a single-use disposable item, a clean towel, or synthetic brush. No towels shall be used more than once without proper laundering as described in rule 4713-15-11 of the Administrative Code. All synthetic brushes must be properly disinfected prior to each use in accordance with rule 4713-15-03 of the Administrative Code.

(B) Acrylic, dip, or similar powder used during the practice of manicuring shall be dispensed into individual containers prior to use for each client. The containers must be disposed of or properly disinfected after each use and any unused powder must be properly discarded.
