

## Ohio Administrative Code Rule 4713-5-09 Enrollment procedure.

Effective: January 2, 2025

---

(A) All school enrollments shall be submitted via email on forms provided by the board. The enrollment form shall be submitted to the board within thirty days of the student's enrollment date. The enrollment date shall be that date upon which the student begins training and is not necessarily the date upon which the student contracts with the school for training.

(B) Potential students of any school licensed by the board shall be advised, prior to enrollment, that only United States citizens and individuals who are eligible for state or local public benefits under Section 411 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, 110 Stat. 2268 (1996), 8 U.S.C. 1621, shall be eligible for any type of license or permit to practice a branch of cosmetology or barbering in Ohio. A student must submit proof of such eligibility with the student's application to take the state examination.
