

Ohio Administrative Code Rule 4713-6-01 Internship program definitions.

Effective: April 3, 2017

(A) "Good standing" means the following:

- (1) The licensee maintains a valid, current cosmetology, esthetician, hair design, natural hair stylist or manicurist license issued by the board;
- (2) The individual, salon, or school has no current or pending discipline; and
- (3) Has no unpaid cosmetology based fines or penalties.

(B) "Appropriate training" means the student intern has completed at least fifty per cent of the required program hours for the branch of cosmetology in which the student is enrolled.

(C) "Direct and immediate supervision" means the student intern shall work on a paying client, only in an assisting capacity, when a designated licensee is present to oversee the work process. The tasks performed by the student intern shall be within the scope of practice of the designated licensee who is supervising the student intern.

(D) "Directly supervised" means the student intern shall not use or apply chemical treatments unless the designated licensee is present to oversee the work process. The tasks performed by the student intern shall be within the scope of practice of the designated licensee who is supervising the student intern.
