 - (8) Report to the board any board licensee and/or permit holder who suffers a relapse at any time during or following aftercare.
- (F) "Relapse" means a return to the pattern of impairment activities which affect the practitioner.
- (G) The Ohio state dental board may withdraw the approval of any qualified licensed practitioner as

a treatment provider or facility as a treatment center, if the board determines that the qualified licensed practitioner or facility does not meet the requirements of either paragraph (C)(1) or (C)(2) of this rule, or is not providing substance abuse services acceptable to the board.

(H) Each approved treatment provider or center shall immediately notify the Ohio state dental board of any of the following:

(1) Change in ownership of the facility;

Each approved qualified licensed practitioner shall immediately notify the Ohio state dental board of any reduction or termination or suspension of the clinical privileges specified in paragraph (D) of this rule, or if such privileges are negatively affected in any manner.

Failure to notify the Ohio state dental board as provided in this rule shall be cause of immediate withdrawal of approval as a treatment provider or center.
