

Ohio Administrative Code

Rule 4715-30-01 Exemption for physicians and surgeons.

Effective: February 4, 2019

Sections 4715.01 to 4715.35 of the Revised Code do not apply to the following:

(A) A physician licensed pursuant to Chapter 4731. of the Revised Code, to practice medicine and surgery or osteopathic medicine and surgery in Ohio, unless he or she practices dentistry as a specialty. For purposes of this rule, "Practicing dentistry as a specialty" means that the physician regularly and/or routinely provides treatment in which the procedure or procedures performed are primarily involving teeth, rather than treatment secondary to a medical emergency or medical procedure. It is not required that the practice of dentistry as defined herein be a specific majority percentage of time, but rather that a pattern of practicing dentistry as a specialty is demonstrated by the physician.

(B) A dentist of the United States armed forces, public health service, or veterans administration.

(C) A dentist licensed in another state, making a clinical demonstration before a dental society, convention, association of dentists, or dental college.
