

Ohio Administrative Code Rule 4715-5-06 Reports of adverse occurrences.

Effective: April 1, 2024

(A) All licensees engaged in the practice of dentistry in the state of Ohio must notify the board within seventy-two hours of knowledge of an adverse occurrence, and submit a complete written report within thirty days of any adverse occurrence requiring hospital admission within twenty-four hours of patient treatment or any mortality which occurred as a direct result of treatment in a dental facility.

(B) Failure to comply with this rule when said mortality or adverse occurrence is related to the use of moderate sedation, deep sedation, or general anesthesia may result in the restriction, suspension, or revocation of such permits as described in rules 4715-5-05 and 4715-5-07 of the Administrative Code and/or other disciplinary action.
