

Ohio Administrative Code

Rule 4717-14-03 Automated reporting and preneed payment system.

Effective: January 6, 2018

The board of embalmers and funeral directors may establish and maintain an automated reporting and payment system. The board shall use the automated reporting and payment system to monitor preneed funeral contracts sold in this state and to manage the "Preneed Recovery Fund," the presentation and processing of applications for reimbursement, subrogation or assignment of the rights of any reimbursed applicant, and other necessary actions to carry out the duties pursuant to section 4717.41 of the Revised Code.
