

Ohio Administrative Code

Rule 4717-7-07 Sale or disposition of existing crematory facility.

Effective: January 10, 2019

When any crematory facility is closed, the board shall be notified, in writing, within ten days, by the crematory operator actually in charge and ultimately responsible of the facility license, whose signature shall be notarized. Within thirty days of the notification to the board, the crematory operator actually in charge shall surrender the license to operate the crematory facility.

The new crematory operator actually in charge and ultimately responsible of the crematory facility shall submit to the board a fully completed application for license, within thirty days after the purchase of the crematory facility.
