

Ohio Administrative Code

Rule 4723-11-03 Employer obligations regarding nurses holding multistate licenses issued by states other than Ohio.

Effective: December 17, 2023

(A) As used in this rule, "person" has the same meaning as in section 1.59 of the Revised Code.

(B) Beginning January 31, 2024, and each year thereafter, a person or governmental entity that employs, or contracts directly or through another person or governmental entity for the provision of services by, a nurse holding a multistate license shall do both of the following, if the multistate license was issued by a state other than Ohio:

(1) Report to the board of nursing the number of nurses holding multistate licenses, issued by a state other than Ohio, who were employed by, or providing services for, the person or governmental entity in the prior calendar year. The information will be reported to the board of nursing through e-Notification at <https://www.ncsbn.org/nursing-regulation/licensure/license-verification.page>

(2) Provide each nurse holding a multistate license a copy of board-developed information concerning laws and rules specific to the practice of nursing in Ohio.
