

## Ohio Administrative Code Rule 4723-13-03 Prohibitions.

Effective: February 1, 2007

---

(A) No person to whom a nursing task is delegated shall delegate the nursing task to any other person.

(B) An unlicensed person who performs a nursing task and does not comply with all the provisions as set forth in this chapter, and who is not otherwise excepted from licensure pursuant to section 4723.32 of the Revised Code, or otherwise legally authorized, shall be engaging in the unauthorized practice of nursing, which is prohibited by section 4723.03 of the Revised Code.

(C) Nothing in this chapter shall be construed to allow an unlicensed person to perform a delegated nursing task on any individual other than the individual specified by the delegating nurse.
