

Ohio Administrative Code

Rule 4723-14-11 Termination of OBN approver status.

Effective: February 1, 2013

(A) The board may conduct an audit of an OBN approver at any time. The audit may include a site visit or a request for any information needed to determine compliance with this chapter.

(B) The following may constitute grounds for termination of an OBN approver's approval status:

(1) Failure to maintain compliance with this chapter;

(2) Failure to submit information required by the board within the time frame established by the board;

(3) Refusal to cooperate during a site visit conducted by the board; or

(4) Providing false, misleading, or deceptive statements, or submitting or causing to be submitted any false, misleading or deceptive information, or documentation to the board or any representative of the board.

(C) A board proposal to terminate OBN approver status shall comply with the requirements of Chapter 119. of the Revised Code. The board may enter a settlement with the OBN approver, or may order continued approval, terminate approval, or continue approval with conditions or restrictions.

(D) An OBN approver may voluntarily surrender its approval status. Upon surrender, the OBN approver must comply with the requirements in rule 4723-14-18 of the Administrative Code.
