

## Ohio Administrative Code

### Rule 4723-18-06 Requirements for educational intervention.

Effective: February 1, 2019

---

(A) The practice intervention and improvement program shall utilize educational interventions that contain content and objectives that meet the participant's learning needs as prescribed by the supervising member.

(B) An educational intervention shall be one of the following:

(1) A continuing education activity that meets the requirements of Chapter 4723-14 of the Administrative Code;

(2) An activity conducted by a national certifying organization approved by the board according to section 4723.46 of the Revised Code;

(3) A course provided by a post-secondary educational institution that is approved, authorized or registered by the board, the Ohio department of higher education, the state board of career colleges and schools, or a substantially similar authorizing body in another jurisdiction, for which academic credit is awarded to the participant; or

(4) An activity that is provided by the participant's employer through an employed or contracted registered nurse who holds a master's degree and has at least two years experience in nursing education or adult education.

(C) According to section 4723.021 of the Revised Code, an entity that provides services related to remediation, including but not limited to a participant's educational intervention shall not be held liable in damages to any person as the result of any act, omission, proceeding, conduct, or decision related to official duties undertaken or performed pursuant to this chapter.

(D) Educational intervention shall not be used for purposes of satisfying the participants continuing education requirements.
