

## Ohio Administrative Code

### Rule 4725-5-15 Notification of primary practice location, identification of license holder.

Effective: November 30, 2023

---

Each optometrist who holds a current licensure certificate shall notify the board of the primary address where the optometrist is in practice and wherein the certificate of licensure is displayed.

The holder of a licensure certificate shall notify the board of any change of address of primary practice wherein the certificate is displayed. The license holder will take whatever steps are necessary to see that patients are informed of the new location of the optometrist or the location of the patient's records.

Prescriptions written for therapeutic pharmaceutical agents shall contain the optometrist's name, address of the location wherein their certificate of licensure is displayed.

The failure clearly to show to the public both the name of the holder of a certificate of licensure and the fact that the holder is an optometrist constitutes "dishonesty or unprofessional conduct" as that phrase is used in section 4725.19 of the Revised Code.

Failure to place the required information on prescriptions for therapeutic pharmaceutical agents or to notify the board of address change within thirty days constitutes "dishonesty or unprofessional conduct" as that phrase is used in section 4725.19 of the Revised Code.
