Effective: April 25, 2022

(A) As used in agency 4729 of the Administrative Code, "disqualifying offense" means a criminal offense that is contained in the list adopted pursuant to paragraph (B) of this rule, and any existing or former criminal offense that is substantially equivalent to those explicitly contained in the list under municipal ordinances or laws of this state, any other state, or the United States, as required by division (B) of section 9.79 of the Revised Code.

(B) The board of pharmacy shall issue a resolution providing the list of specific criminal offenses for which a conviction, judicial finding of guilt, or plea of guilty may disqualify an individual from obtaining an initial license or registration issued by the board.

(C) The resolution shall be updated as necessary and shall be made available on the board's web site (www.pharmacy.ohio.gov).

(D) For the purposes of enforcing agency 4729 and 3796 of the Administrative Code, a certified copy of a plea of guilty to, or a judicial finding of guilt of any crime in a court of competent jurisdiction is conclusive proof of the commission of all of the elements of that crime.
