

Ohio Administrative Code

Rule 4729:5-7-04 Eligibility requirements for sample drugs received by a charitable pharmacy.

Effective: July 1, 2019

An eligible sample drug received by a charitable pharmacy shall meet all the following requirements:

- (A) The sample drug is in the original manufacturer's container and the container is clearly marked as a sample.
 - (B) Prior to being transferred, the sample drug has been stored under the proper conditions to prevent deterioration or adulteration.
 - (C) The sample drug is clearly marked with an expiration date and lot number.
 - (D) The sample drug is not expired.
 - (E) The sample drug is not a controlled substance.
-
