

Ohio Administrative Code

Rule 4729:9-3-04 Inventory.

Effective: August 1, 2019

(A) A licensee who possesses any quantity of ephedrine or schedule V dangerous drug products containing ephedrine shall take an inventory pursuant to rule 4729:5-3-07 or 4729:6-3-06 of the Administrative Code.

(B) This rule does not apply if the ephedrine product is a food product or a dietary supplement that is specifically excepted in division (K)(2) of section 3719.44 of the Revised Code or agency 4729 of the Administrative Code.
