

## Ohio Administrative Code

### Rule 4732-11-03 School psychology and psychology examination committees.

Effective: September 30, 1996

---

(A) Pursuant to section 4732.11 of the Revised Code the board established a school psychology examination committee consisting of five members appointed by the board; in making one five-year appointment each year the board may consider recommendations from the "Ohio School Psychologists Association" and the "Interuniversity Council." A replacement appointment will be made for any member unable to complete a full term.

(B) A psychology examination committee may be comprised of members of the board and/or licensed psychologists appointed by the board.
