

Ohio Administrative Code

Rule 4734-6-05 License for voluntary public service.

Effective: January 1, 2019

(A) An individual who previously held an unrestricted license to practice chiropractic in the state of Ohio who plans to offer gratuitous chiropractic services as a voluntary public service may apply for a special limited license to practice chiropractic .

(B) Each applicant for a license for voluntary public service shall submit a completed application, which can be obtained by contacting the board office, and a non-refundable application fee in the amount of seventy-five dollars. The application shall include a description of the gratuitous chiropractic services to be performed and documentation verifying that current valid malpractice insurance is in place. The applicant must attest that his or her practice is to be exclusively and totally devoted to providing gratuitous chiropractic care .

(C) The granting of a license for voluntary public service constitutes authority to practice chiropractic in Ohio only within the scope of services as described in the application as approved.

(D) All licenses for voluntary public service issued by the board shall bear the legend "limited to gratuitous chiropractic services."

(E) Any applicant that the board proposes to refuse or deny a special limited license shall be entitled to a hearing on the question of such proposed refusal or denial.

(F) If the board proposes to discipline a holder of a special limited license the licensee shall be entitled to a hearing on the question of such proposed discipline.
