

Ohio Administrative Code

Rule 4755-23-09 Waivers for continuing education.

Effective: July 13, 2020

The physical therapy section of the Ohio occupational therapy, physical therapy and athletic trainers board may grant a waiver of the continuing education requirements in the case of illness, disability, or undue hardship. A request for waiver form, as provided by the physical therapy section, must be completed in full. In the case of illness or disability, a physician's statement is required. All completed forms must be received by the section for consideration no later than the first day of October of the year preceding the renewal date, unless that date is waived by the section. A waiver may be granted for any period of time not to exceed one renewal cycle. In the event that the illness, disability, or hardship continues to the next renewal cycle, then a new waiver request is required.

Should a waiver be granted due to disability or illness, the section may require the person to provide appropriate documentation from a physician or another qualified and appropriate practitioner to verify the person's competency and ability to practice physical therapy in the state of Ohio prior to the return to active practice of physical therapy in Ohio.
