

Ohio Administrative Code

Rule 4757-13-02 Requirements for licensure as a professional counselor.

Effective: December 26, 2023

All applicants for licensure as a professional counselor shall:

(A) Meet the educational requirements as established in rule 4757-13-01 or 4757-13-06 of the Administrative Code.

(B) Successfully complete the licensure examination prescribed by the counselor professional standards committee. Applicants shall have passed the required examination within seven years of application date, unless they are currently licensed in an equivalent capacity in another state and passed the prescribed examination as part of the licensure requirements in that state.

(C) Have no disqualifying criminal convictions.

(D) Have met all of the initial application requirements established in rule 4757-1-04 of the Administrative Code.
