

Ohio Administrative Code Rule 4766-2-04 Physical facilities.

Effective: May 1, 2022

(A) The board or its designee shall conduct initial and renewal inspections of all MTOs pursuant to Chapter 4766. of the Revised Code and rules 4766-2-04 to 4766-2-06 of the Administrative Code, to include the following:

- (1) MTO service headquarters;
- (2) MTO service satellite base(s).

(B) An MTO shall not commence operations from its headquarters or satellite base(s) until the location is licensed as set forth in section 4766.04 of the Revised Code.

(C) An MTO shall ensure compliance with the inspection standards for physical facilities. Inspection standards for physical facilities of an MTO are as follows:

- (1) The board issued license is prominently displayed in conspicuous location at every licensed facility (renewal inspection only);
- (2) State of Ohio board of pharmacy license(s) is displayed at each location;
- (3) A written sanitation plan as set forth in Chapter 4766-2 of the Administrative Code is on site for each location;
- (4) The physical facilities maintain all single use supplies and equipment as set forth in the ambulance inspection form for the level of service operated.
- (5) The physical facilities are clean and free of debris;
- (6) Crew quarters are clean;

(7) All physical facilities are in compliance with state and local building codes;

(8) Each facility is in compliance with state and local fire codes.

(D) The board or its designee may conduct routine unannounced inspections at any location of a licensed MTO at any time, including night or weekend inspections, to determine compliance with Chapter 4766. of the Revised Code and agency 4766 of the Administrative Code to include, but not limited to, the following:

(1) MTO service headquarters;

(2) MTO service satellite base(s);

(3) Ambulance(s) and non-transport vehicles(s).
