

Ohio Administrative Code Rule 4775-3-07 Hearing procedure.

Effective: January 10, 2011

In all hearings before the board, the procedure shall be as follows:

- (A) The board or its referee or examiner may request or permit the filing of briefs and attached exhibits.
- (B) The attorney general concisely may state his/her case, and may briefly state his/her evidence to sustain it.
- (C) The registration applicant or his/her attorney, may then briefly state his/her case, and briefly may state his/her evidence in support of it.
- (D) The attorney general first must produce and submit his/her evidence, and the registration applicant or his/her attorney must then produce and submit his/her evidence.
- (E) The attorney general may offer evidence in rebuttal.
- (F) The board or its appointed referee or examiner may hear arguments.
- (G) The attorney general and the applicant or his/her attorney may produce, examine, cross-examine, and take testimony from witnesses. Witnesses may also be produced, examined, and testimony taken from to rebut the testimony of other witnesses.
- (H) The attorney general and the applicant or his/her attorney may present closing or summary arguments.
- (I) The board, if presiding at a hearing, shall then retire to weigh and consider the evidence and shall timely deliver a decision to the applicant. If, in its discretion, the board has appointed a referee or examiner to preside at the hearing, the appointed representative shall then retire to weigh and

consider the evidence presented and shall prepare a report and recommendation(s) to be timely delivered to the board for its consideration.
