Effective: January 20, 2020

(A) A non-resident licensee shall meet the requirements for continuing education as set forth in rule 4781-9-01 of the Administrative Code. If a non-resident licensee resides in a state requiring continuing education for a manufactured home installer license, the courses or continuing education in the state of residence may be considered by the division for approval in Ohio on a course-by-course basis.

(B) Any non-resident licensee who seeks to have the division consider non-division approved courses, including those that have taken place outside of the state of Ohio, may apply to the division to receive credit for the continuing education obtained in another state, by submitting an application on a form prescribed by the division. The application shall contain all of the information as required under paragraph (B) to rule 4781-8-02 of the Administrative Code and shall be accompanied by a nonrefundable fee in the amount of fifty dollars, by check or money order, made payable to the "Treasurer, State of Ohio," or by credit card. Any payment of fees may be subject to a convenience fee as charged to the division.
