

Ohio Administrative Code Rule 4783-6-01 Purposes of supervision.

Effective: April 7, 2014

- (A) To protect the welfare of clients receiving applied behavior analysis services under the direction of a certified Ohio behavior analyst.

 - (B) To structure the activities of the supervisee so that competent applied behavior analysis services delivered by a non-certified person can safely be made available to clients.

 - (C) To ensure that non-certified persons function within the limits of his/her competence.
-
