Rule 4901-5-03 Cancellation of certificates and citations.

Effective: July 1, 2023

(A) The commission may, pursuant to the provisions of section 4921.07 of the Revised Code, for good cause revoke, suspend, alter or amend any certificate issued by it.

(B) Citation order - Citations are commenced by the issuance of an order requiring the for-hire motor carrier to show cause why its certificate should not be revoked, altered or amended based on the facts contained in the citation. A respondent may request the citation by filing a written answer within fifteen days of the effective date of the order.

(C) Answer - The respondent's answer should either admit or deny each separate allegation of the order to show cause, state what corrections, if any, have been made of the practices complained of in the order to show cause, and if an allegation is denied, set forth the facts upon which such denials are based.

(D) Hearing on citation - If a respondent fails to answer an order to show cause, the commission shall proceed to revoke authority. If an answer is filed by the respondent, the commission may promptly assign the matter for hearing or dismiss the matter pursuant to a consideration of the respondent's answer.
