

Ohio Administrative Code

Rule 4901:1-14-04 Reports.

Effective: [May 26, 2023](#)

Each gas or natural gas company subject to the provisions of this chapter shall file with the commission's docketing division quarterly gas cost recovery reports. With commission approval, the gas or natural gas company may revise the expected gas cost component of the gas cost recovery report on a monthly basis. Unless otherwise determined by the commission, the expected gas cost component may be revised, as market conditions warrant, and filed with the commission's docketing division no later than fourteen days prior to the effective date of the gas cost recovery rate. Each gas cost recovery report shall contain:

- (A) An updated gas cost recovery rate, determined in accordance with rule 4901:1-14-05 of the Administrative Code and its appendix;
 - (B) The data and calculations used to determine the updated gas cost recovery rate;
 - (C) Where appropriate, notations indicating the use of weather-normalized or forecasted sales volumes in the gas cost recovery report and/or updates; and
 - (D) The frequency of revisions to the expected gas cost component, the effective dates, and the dates such revisions will be filed with the commission.
