

Ohio Administrative Code Rule 4901:1-24-03 General prohibitions.

Effective: December 1, 2014

(A) No person shall offer, contract, or provide a competitive retail electric service in this state without a valid certificate.

(B) Nothing in this rule is intended to prohibit a person from conducting market research or advertisements designed solely to ascertain and raise customer awareness and/or improve name recognition.

(C) Enforcement of any rule in this chapter or commission order adopted thereunder will be conducted in accordance with Chapter 4901:1-23 of the Administrative Code.
