

Ohio Administrative Code

Rule 4901:1-35-10 Annual review of electric security plan.

Effective: June 19, 2023

By May fifteenth of each year, the electric utility shall make a separate filing with the commission demonstrating whether or not any rate adjustments authorized by the commission as part of the electric utility's electric security plan resulted in significantly excessive earnings during the review period as measured by division (F) of section 4928.143 of the Revised Code. The process and timeframes for that proceeding will be set by order of the commission, the legal director, or attorney examiner. The electric utility's filing should include the information set forth in paragraph (C) of rule 4901:1-35-03 of the Administrative Code as it relates to excessive earnings.
