

Ohio Administrative Code

Rule 4901:1-6-03 Investigation and monitoring.

Effective: August 31, 2023

Consistent with applicable law, nothing contained within this chapter precludes the commission or its staff from:

- (A) Requiring a telephone company to furnish additional information necessary to carry out its authority under Title 49 of the Revised Code.

 - (B) Monitoring a telephone company's compliance with the law or any of the commission's rules and orders.

 - (C) Initiating an investigation into a telephone company's compliance with the law or any of the commission's rules and orders.
-
