

Ohio Administrative Code

Rule 4901:1-6-34 Filing of contracts, agreements, or arrangements entered into between telephone companies.

Effective: January 20, 2011

When necessary for the commission to carry out sections 4927.01 to 4927.21 of the Revised Code, and only as required by the commission, a telephone company shall file with the commission a copy of any contract, agreement, or arrangement, in writing, with any other public utility relating in any way to the construction, maintenance, or use of its plant or property, or to any service, rate, or charge.
