

## Ohio Administrative Code

### Rule 4901:1-7-18 Interim rates for forward-looking economic prices.

Effective: June 30, 2023

---

(A) Interim rates may be used by the commission in setting prices while arbitrating disputed issues pursuant to rule 4901:1-7-9 of the Administrative Code.

(B) The Commission will set interim rates when it determines that it does not have sufficient time to review cost information provided by an incumbent local exchange carrier or when it appears that there may be significant concerns with the cost studies from the commission's cursory review.
