

Ohio Administrative Code

Rule 4901:5-1-03 Form of long-term forecast reports additional requirements.

Effective: June 5, 2023

(A) All long-term forecast reports shall be filed electronically on the commission's docketing information system website by providing both a PDF file and the underlying source files.

(B) Each long-term forecast report shall include an affidavit, signed by the person responsible for the filing, that the document is true and correct to the best of his or her knowledge and belief.

(C) The long-term forecast report will be readily available to any interested person or government agency on the commission's website, or a copy can be contained, upon request, from the commission's docketing division. The reporting person shall also provide or cause to be provided a copy of the reporting person's long-term forecast report to any person upon request, at cost, to cover the expenses incurred.
