

## Ohio Administrative Code Rule 4901:5-7-02 Purpose and scope.

Effective: June 5, 2023

---

(A) This chapter specifies the reporting requirements for long-term forecast reports filed by gas distribution companies pursuant to Chapter 4901:5-1 of the Administrative Code.

(B) Unless otherwise directed by the commission, all reports shall be filed electronically using such forms as may be posted on the commission's web site. Such forms may be changed without further commission entry and each reporting person shall obtain the most current version of the forms prior to filing via the commission's website.

(C) The commission may, upon an application or a motion filed by a party, waive any requirement of this chapter, other than a requirement mandated by statute, for good cause shown.
