(3) The acceptance of training that is completed outside a classroom where a trainer is not present, shall be considered by the recommending agency on an individual basis and shall not be used for more than six hours of preplacement training or to meet more than one-half of a foster caregiver's continuing training requirements. To be accepted by a recommending agency to meet a foster caregiver's continuing training requirements, the training must include a transfer of learning component prior to or following the training. Such training shall be consistent with the recommending agency's written needs assessment and continuing training plan developed for the foster caregiver pursuant to paragraph (G) of this rule. If a private child placing agency (PCPA) or private noncustodial agency (PNA) intends to accept such continuing training on a regular basis, it shall be included in the agency's training proposal developed pursuant to rule 5101:2-5-40 of the Administrative Code. If a public children services agency (PCSA) intends to accept such continuing training on a regular basis, it shall provide written notification to the regional training center of the Ohio child welfare training program (OCWTP) responsible for providing foster caregiver training for

the county so the training center can make appropriate plans for training.

(ii) Books or magazines.

(iii) Computer programs.

(iv) Internet sites.

(v) Interactive video presentations.

(5) Live synchronous distance learning, where the trainer or facilitator is available real time to deliver the training, may be used to meet all of preplacement and continuing training.

(6) Pursuant to rule 5101:2-5-38 of the Administrative Code, neither a foster caregiver training stipend nor an agency training allowance payment shall be made for training completed outside a

classroom where a person in the role of a trainer is not present.

(7) Continuing training hours obtained by a foster caregiver by teaching one or more training classes to other foster caregivers are eligible for stipend and training allowance reimbursement in the amount of hours as specified in the foster caregiver's written needs assessment and continuing training plan. Any continuing training hours obtained by a foster caregiver by teaching one or more training classes to other foster caregivers in excess of the specified amount in the written needs assessment and continuing training plan shall not be reimbursable.

(G) Not later than the first thirty days of a foster caregiver's certification period, a recommending agency shall develop and implement a written needs assessment and continuing training plan for each foster caregiver affiliated with the agency. Each needs assessment and continuing training plan shall satisfy all of the following requirements:

(2) Be appropriate for the type of foster home the foster caregiver operates, the type of children typically placed in the home and include as appropriate training for the caregiver that relates to providing independent living services, as defined in section 2151.81 of the Revised Code, to a child placed as provided in division (B)(2) of section 2151.353 of the Revised Code.

(3) Require the foster caregiver to successfully complete the courses the agency considers appropriate;

(4) Include criteria the agency is to use to determine whether the foster caregiver has successfully completed the courses.

(5) Guarantee that the courses the foster caregiver is required to complete are available to the foster caregiver at reasonable times and places.

(6) Specify the number of hours of continuing training, if any, the foster caregiver may complete by teaching one or more training classes to other foster caregivers or by providing mentoring services to other foster caregivers as referenced in this rule.

(7) For a family foster caregiver or a specialized foster caregiver, specify whether the agency will waive any of the hours of continuing training the foster caregiver is required by paragraph (C) of this rule to complete during each certification period if the foster caregiver satisfies the conditions for the agency to issue a waiver. If the agency will issue a waiver, the agency shall state in the needs assessment and continuing training plan the number of hours of continuing training, not to exceed eight during each certification period, that the agency will waive.

(H) For the purpose of determining whether a foster caregiver has satisfied the requirements of paragraph (C) of this rule, a recommending agency shall accept training for foster caregivers obtained from a regional training center of the OCWTP or an approved preplacement training program or continuing training program operated by a PCPA or PNA under rule 5101:2-5-40 of the Administrative Code regardless of whether the recommending agency operated the preplacement training program or continuing training program. The recommending agency may require that the applicant or foster caregiver successfully complete additional training as a condition of certification or recertification. A recommending agency may accept up to fifteen hours of continuing training without prior approval from ODJFS if both of the following are met:

(1) The training is from a program that provides a training course or courses outlined in the foster parent's continuing training plan.

(2) The program is agreed upon by both the recommending agency and the foster parent.

(I) The recommending agency shall maintain a record in the statewide automated child welfare information system (SACWIS) for each foster caregiver showing the date, location, course name and length of each preplacement and continuing training course each foster caregiver attended, and the name of the trainer.

(J) At the beginning of a foster caregiver's second certification period or a subsequent certification period, a recommending agency may include within the foster caregiver's written needs assessment and continuing training plan, a waiver of up to eight hours of continuing training that a foster caregiver holding a certificate for a family foster home or specialized foster home is otherwise required by paragraph (C) of this rule to complete during the certification period, if all of the

following apply:

- (1) The foster caregiver has had or maintained a foster home certificate for at least two years.
  - (2) The foster caregiver has provided care for a foster child for at least ninety days of the twelve months preceding the date the agency issues the waiver.
  - (3) The foster caregiver has not violated any statute or rule governing certification of foster homes during the twelve months preceding the date the agency issues the waiver.
  - (4) The foster caregiver has complied in full with the needs assessment and continuing training plan developed for the foster caregiver under paragraph (G) of this rule for the preceding certification period.
- (K) For each continuing training waiver approved by a recommending agency for a family foster home or a specialized foster home pursuant to paragraph (J) of this rule the following documentation shall be maintained in the foster caregiver's record:
- (1) The date of the waiver.
  - (2) The number of hours of training waived.
  - (3) A statement that each of the requirements of paragraph (J) of this rule have been met.
  - (4) The name and signature of the authorized agency representative who approved the waiver.
- (L) A foster caregiver to whom either paragraph (L)(1) or (L)(2) of this rule applies shall be given an additional amount of time within which to complete the continuing training required under this rule, as applicable to the type of foster home the caregiver is certified to operate. The additional time shall be one month for each month the caregiver was on active duty. Any required training that is not met at the end of a foster caregiver's certification period applying the preceding sentence shall be waived by the agency. When a waiver of training is approved by an agency under this paragraph, the required training for the next certification period shall be the same as for any other caregiver

operating a foster home of the type for which the foster caregiver is certified. The agency shall document any such extension of time in the foster caregiver's record.

(1) The foster caregiver has served in active duty outside Ohio with a branch of the armed forces of the United States for more than thirty days in the preceding two-year period.

(2) The foster caregiver has served in active duty as a member of the Ohio organized militia, as defined in section 5923.01 of the Revised Code, which includes the Ohio national guard, the Ohio naval militia and the Ohio military reserve, for more than thirty days in the preceding two-year period and that active duty relates to either an emergency in or outside of Ohio or to military duty in or outside of Ohio.
