

Ohio Administrative Code

Rule 5101:9-30-04 Mandated use of the advancement through resources, information, and employment services (ARIES) system and county finance information system (CFIS).

Effective: May 1, 2022

(A) The following entities will ensure accurate reporting of local Workforce Innovation and Opportunity Act (WIOA) participants, activities, and financial and performance information to ODJFS.

(1) Chief elected officials as defined by section 3(9) of WIOA.

(2) The local workforce development board, as established by section 107 of WIOA.

(3) The OhioMeansJobs center operator, the provider of career services, and the provider of youth services identified in section 107(d)(10) of WIOA.

(4) The fiscal agent as established in section 107(d)(12)(B)(i)(II) of WIOA.

(B) Local workforce development boards, chief elected officials, OhioMeansJobs center operators, and providers of career services and youth services referenced in paragraph (A) of this rule must use the advancement through resources, information, and employment services (ARIES) system to report within thirty days of receipt, all required information about WIOA participants, services, case management, and performance.

(C) Local workforce development boards, chief elected officials, and fiscal agents referenced in paragraph (A) of this rule must use the county finance information system (CFIS) to report financial information.
